About our organization.

Who we are

A group of people passionately committed to improving healthcare, education, access to justice and community re-integration in Uganda and Africa in general.

Our Commitment

We aim to restore the dignity and hope of those we serve by helping to provide humane conditions and services which help them to regain their dignity. We build and refurbish village medical and educational facilities to provide innovative services and work to change the attitudes of the societies we serve.

Our Mission

To bring dignity and hope to men, women and children in African communities through health care, education, access to justice and community re-integration.

Our Vision.

Hope for an African Child, the ability to restore the rights and position of an African Child.

Our Faith Statement.

We are a Christian based international organization, following and celebrating our Lord Jesus Christ, working with the poor, orphaned and oppressed to promote human transformation, justice and witness the good news of the kingdom of God.
